**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use Sonic.net because they offer a level of customer service that neither Comcast nor AT&T could ever hope to reach. The fiber lines that they are installing are critical to my business. Please don't let these big corporations cut off our access to competitive local broadband providers, especially since our local companies are providing service that is SO much better for us.
